

Cortaccia *Wine* expedition

The Fascinating Vineyard.

An exploration of Cortaccia Winery's diverse vineyard sites, complete with wine tasting. The diversity of Cortaccia Winery's vineyard sites is unique in South Tyrol. Altitudes ranging from 200 to 900 metres, southeast and southwest exposures, and soils varying from sandy-gravelly to rocky to red-clay lend each wine its own individual character. Join us on an expedition in exploration of the best sites, and taste each wine directly at its place of origin.
